

What Is Intergroup?

The Greater Cincinnati Area Intergroup council is a service of Alcoholics Anonymous with the sole purpose of doing 12 step work. It carries out certain functions common to all groups in area. Functions best handled by one body of trusted servants.

Intergroups, as such, have no authority on their own account: they derive it from participating groups. The groups maintained effective participation through their representatives. Each group in the area is asked to send a representative, or an alternate, to the monthly Intergroup meeting. From these representatives, officers are elected every two years to the operating committee which includes the administrative activities of the Central Office and coordinates the various service committees. Chairs of those committees are chosen from the current active representatives.

Intergroup's financial obligations result primarily from the combinations to its special funds and proceeds generated by special events. Contributions to its special funds are used to provide literature to clients in correction facilities and treatment, provide services to members with special needs, and air time charges for the radio show.

Intergroup encourages contributions no matter how small to these special funds. This is our primary means of support. By continuing to be self-supporting we are sure that A.A. in Cincinnati will be there for the still serving alcoholic.

Intergroup finds its spiritual guidance through the principles of Recovery, Unity and Service and whatever possible tries to make use of A.A.'s combined experience.

Ensures that A.A. members are aware of the Grapevine and provides description forms.

Archives: Preserves the history of A.A. in the Cincinnati area, through records, tapes from early members and materials from individuals and groups.

Special Events: Coordinates the work surrounding Intergroup sponsor events and encourages A.A. members to attend. Intergroup currently sponsors five events each year: a Traditions workshop and a Spring Fling in the Spring, a Gratitude Breakfast in June, the Thanksgiving Banquet and the Christmas Alcolthon. All proceeds from these events, if any, go to support Intergroup Service Work.

The words "keep it simple" were the last Bill W. heard from his fellow founder of A.A. shortly before Dr. Bob's death in 1950. Aware that "it" meant our recovery program. Bill later wrote, "We need to distinguish sharply between spiritual simplicity and functional simplicity. When we get into questions of action by groups, by areas or by A.A. as a whole, we find that we must, to some extent organize to carry the message - or else face chaos and chaos is not simplicity."
